Agsafe Stewardship Conference and Awards

Proudly sponsored by SCHÜTZ

Sea World Resort, Gold Coast, Queensland | 25-27 July 2023

A warm welcome to the Agsafe Stewardship Conference and Awards, 2023 - a year of delivering enhanced safety, industry recognition, and celebration.

Welcome to Country

We acknowledge and pay respects to the people of the Yugambah language region of the Gold Coast and all their descendants both past and present. We also acknowledge the many Aboriginal people from other regions as well as Torres Strait and South Sea Islander people who now live in the local area and have made an important contribution to the community.

We warmly invite your organisation to join us at the Agsafe Stewardship Conference and Awards event, 25th – 27th July 2023, Sea World Resort, Gold Coast, Queensland.

Agsafe will celebrate 30 years of dedicated agricultural and veterinary (AgVet) chemical Stewardship Programs, 25 years of **drumMUSTER**® our

drum recycling program, 20 years of ChemClear®, responsible for the safe disposal of AgVet chemical and the exciting new launch of bagMUSTER an innovative and new program designed to recover and dispose of industry-related bags.

This event will deliver an outstanding experience and a unique and exclusive opportunity for conference partners, and sponsors alike. The event will consist of an opening plenary, concurrent and workshop sessions with national delegates, regulators, and suppliers from industry in attendance.

The AgVet chemical professional community are eager to attend this in-person event. Partnering with the Agsafe Stewardship Conference and Awards event will provide your company with the opportunity to engage with new and existing contacts, as well as promote your services to the AgVet industry and profession.

This national conference will play an integral part of providing valuable networking and educational opportunities for our delegates and your company. A welcome networking cocktail event will be hosted on Tuesday evening before the first official opening event on Wednesday morning, with the opening plenary session, consecutive workshops and a regulator panel session held on the Thursday.

We welcome your staff to join us as we network, engage, learn, and socialise, whilst enjoying all beautiful Queensland has to offer. The event space will give your team every opportunity to discuss innovation and share stories and knowledge with our delegates and industry partners during these regular breaks.

We expect demand to be high following a very successful 2019 Agsafe national conference. We encourage you to review the opportunities to maximise your investment as we will promote our partners and sponsors in our pre-conference marketing.

We look forward to collaborating with you to make the Agsafe Stewardship, Conference and Awards 2023 at Sea World Resort, Gold Coast in Queensland a great success.

Dominique Doyle
General Manager, Agsafe

We thank and acknowledge the support of our parent entity CropLife Australia in supporting this event.

The Agsafe Stewardship Conference and Awards

The Agsafe Stewardship Conference and Awards event proudly sponsored by SCHÜTZ will be held from Tuesday 25 to Thursday 27 July 2023 commencing with a cocktail networking event on the first evening at Sea World Resort, Gold Coast, Queensland. As an **exclusive key stakeholder**, we are pleased to extend an invitation for your company to partner with Agsafe for this very special symposium.

The conference attendees will be Agsafe members (premises executives, managers, and safety compliance personnel), Agsafe Facilitators and Trainers, Government officials and Regulators.

drumMUSTER® stakeholders, local government, farming representatives, regional consultants and participant companies will also be in attendance. All are involved with and are responsible for the safety and environmental impacts of the supply chain for AgVet chemicals.

At the Agsafe Stewardship Conference and Awards members will consider and discuss:

- Stewardship activities in Australia and internationally
- New Stewardship initiatives (bagMUSTER)
- Regulation regarding recycling
- New innovative recycling in Australia
- Activities from around the states - Regional Consultants presentations
- Strengthening and development of the Agsafe Stewardship Programs.
- Key topics within the transport, storage and handling of AgVet chemicals.
- New regulatory requirements for the safe and sustainable management of AgVet chemicals.
- Industry coordinated training and professional development for personnel involved within the supply chain for AgVet chemicals; and
- Recognise and reward safety excellence throughout the supply chain for AgVet chemicals.

The Agsafe Stewardship Conference and Awards

Sponsored by our Gold Partners, six awards will be presented, recognising excellence within the Agsafe Stewardship Programs.

These include an award for the Agsafe member premises that consistently demonstrates dedication to excellence in the safe transport, storage and handling of AgVet chemicals, as well as an award for an individual within an Agsafe member premises that implements the safety compliance systems. Additionally, an Agsafe supporter will be recognised for their contribution to the industry.

drumMUSTER® is a National Product Stewardship Program that is supported by AgVet chemical manufacturers, industry stakeholders, and state and local governments. Working together with local councils, community groups and other collection agencies, **drumMUSTER**® has established collection facilities all over Australia. An outstanding community group and collection facility will be recognised for their commitment to the **drumMUSTER**® program.

The Chairman's award embraces the spirit of excellence in Stewardship and recognises an individual, commendable and generous in actions, demonstrating outstanding performance within the industry.

- And much more throughout this very special conference and awards event

Agsafe's Stewardship activities promote the safe and sustainable use of AgVet chemicals

Agsafe has delivered 30 years of continuous membership support and service to more than 1200 agricultural and veterinary reseller premises nationally.

Correspondingly, in conjunction with three decades of achievements, **drumMUSTER**[®] turns 25 years along with the ChemClear[®] program celebrating its 20th Anniversary, together we have so much to acknowledge and celebrate.

We work in partnership with 90% of Australia's AgVet chemical resellers with a cohort of 11,200 individual connections within the industry.

Furthermore, Agsafe is excited to launch **bagMUSTER**[®] an innovative recycling program contributing to the United Nation's Sustainable Development Goals (SDG's) of reducing the environmental impact through collective industry efforts.
